FOR  
**80c**

Go where you will and when you will and you cannot find better values than we offer at our regular prices. Here is your chance to save 20c on every dollar you spend with us. Our volume of business this spring was the best in our history and we know of no better way to show our appreciation of your patronage than to give you genuine price reductions that will save dollars for you.

Moderate prices being the key-note of our policy, we could not promise so much unless the bargains were really extraordinary, they are. We have tried to prove this in type, but that is a difficult thing to do, the goods themselves will prove it conclusively and more easily than anything we might say.

Everybody knows the kind of goods we carry but nobody has known such prices as these as are given in this sale. We hope for the attendance of our regular patrons, we also invite all who have not yet made our acquaintance to come in and see for what low prices really good goods can be sold.

### MILLINERY

All our millinery will be sacrificed so as to close the entire Summer Stock. All our Ribbons, Malines, Veilings, Chiffons—in fact everything in this department is to be sold at a big reduction.

We still have a good stock of shapes and trimmings to select from.
